Pride Prayer

Dear Heavenly Father,

Please forgive me for not coming to you sooner to ask for Your forgiveness. God, I repent of my prideful attitude and any hurt it may have caused others.

Lord, Proverbs 8:13 (NIV) proclaims, To fear the LORD is to hate evil; I hate pride and arrogance, evil behavior and perverse speech. I ask You to help me rid my life of all evil. I choose to reverse all pride in my life and release obedience. Enable me to stay focused and strong-minded that I may accomplish my goal.

Holy Spirit, please show me any unrevealed pride I may have hidden in my heart. I need your forgiveness; Ive taken my fear towards you lightly.

Forgive me, Lord. I count it done that you have forgiven me. I will change my pride behaviors. I surrender all to you and will no longer walk in pride.

In Jesus' Name,

Amen.
