Find Him "n" You

## Forgiveness Prayer

Dear God in the name of Jesus,

I come to you humbly because I've sinned and fallen short of your glory. According to Daniel 9:9 it states, "The Lord our God is merciful and forgiving, even though we have rebelled against him." God I asking you to forgive me in spite of my inability to forgive those that spitefully hurt me. Help me Lord to forgive because I'm having a hard time forgiving.

My eyes are open and I see my unforgiving ways, but I need you Lord to heal me of my unforgiving shortcomings. Let me receive your blessing over this situation. Change my negative ways. God give me the strength to endure this stronghold that has saturate my life and allow your favor to help me overcome. Have mercy on me, God, and blot out my transgressions. Lord, you are the only one that can

change my heart from the inside. Cleanse my heart from my sin, God. Create in me a pure heart, O' God, and renew a steadfast spirit within me.

Amen.
