

Jesus "n" You

Find Him "n" You

Prayer and Fasting Prayer

Dear Heavenly Father,

Please forgive me for sinning and falling short. God, I repent that I have not expressed an intimate relationship with You through prayer and fasting. Lord, 2 Chronicles 7:14 (NIV) proclaims, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land." Enable me to stay focused and strong-minded that I may pray more. Holy Spirit, please lead me and guide me in direction you would have me go. Lord, I will patiently wait for you to answer my prayers. I surrender and seek you with all my heart and will make myself available to you more often.

In Jesus' Name,

Amen.
