

# Jesus "n" You

Find Him "n" You

## **Conflict Prayer**

Dear God,

I believe you have a purpose for everything. Your Word says, For everything there is a season and a right time for every intention under heaven. God, show me Your purpose for allowing the conflict between \_\_\_\_\_ and I to occur. Lord, I love you and honor Your decision concerning my life. I have faith in You and know Your purpose will be revealed soon. Give me Your wisdom God, so that I may grow spiritually. Help me to handle the conflict in love according to your way.

In Jesus Name,

Amen
