Find Him "n" You

Racism Prayer

Dear God in the name of Jesus,

I come to you humbly because I've sinned and fallen short of your glory. According to John 13:32 it states, "A new commandment I give you: Love one another. As I have loved you, so you must love one another." God please forgive me because I'm having a hard time loving other races. I've shown hatred to other races. My eyes are open and I see my faults, but I need you Lord to heal me of all my racist shortcomings. Let me receive your blessing over this situation. Change my negative feelings towards _____ . God give me the strength to endure this stronghold that has saturate my life and allow your favor to help me overcome. Have mercy on me,

God, and blot out my transgressions. Lord, you are the only one that can change my heart from the inside. Cleanse my heart from my sin, God. Create in me a pure heart, O' God, and renew a steadfast spirit within me.

Amen.
