Offended Prayer

Dear God ,

I come to you humbly because I've sinned and fallen short of your glory. Ecclesiastes 10:4(NIV) states, "If a ruler's anger rises against you, do not leave your post; calmness can lay great offenses to rest." God please help me to not get easily offended and stay calm. I've shown hatred to my offender. My eyes are open and I see my faults, but I need you Lord to heal me of being easily offended. Let me receive your blessing over this situation. Change my negative feelings towards _____ my offender. God give me the strength to endure this stronghold that has saturate my life and allow your favor to help me overcome. Have mercy on me, Lord, you are the only

one that can change my heart from the inside.
Cleanse my heart from my sin, God. Create in me a
pure heart, O' God, and renew a steadfast spirit
within me.

In Jesus' Name, Amen.
